- Ride Operator** – Ride operators are responsible for helping children on and off the rides, collecting tickets from each rider, and maintaining safety on and around the ride. Ride operators have more direct contact with customers than any other crew member and therefore have the most responsibility in assuring that people enjoy their visit to Kiddie Park.
- Concession** – Concession workers cover a diverse set of tasks including serving customers, cooking, and stocking shelves. Work flow can often be hectic and fast paced which requires concession workers who can remain calm under pressure, good natured and able to get along with co-workers in a true team effort.
- Grounds Crew** – Each morning, **from 7am to 10am**, the entire property must be cleaned and made ready for the new day's business. Tasks involve sweeping, wiping down tables, washing rides, hosing down paved areas, restroom cleaning and restocking, removing trash, and everything else necessary to make a great appearance for customers arriving at opening. The Grounds Crew is a team and everyone, while assigned specific responsibilities, will often be expected to cover for others and perform jobs as they come up. Grounds Crew must be self-motivated and able to work with a minimum of direct supervision.
